SAILING AND TRAINING

What a perfect weekend we had to welcome the Westerleys to Babbacombe. With clear skies and a warm summer breeze, our members had the ideal opportunity to climb aboard a Westerley and enjoy the afternoon out in the bay.

It was not all about the cruisers, as we also ran afternoon dinghy taster sessions for any new budding sailor. Early evening, with everyone back onshore, we cranked the BBQ into gear and toasted a great day while enjoying the wonderful food prepared by our much appreciated volunteers.

*Tuesday Evening Sailing is now on.
Supper afterwards only £4.*

Our adult training sessions came to successful conclusion at the end of the June, congratulations to all - we look forward to welcoming our new sailors on the water for the rest of the summer's programme.

Our Friday evening summer sessions of combined social sailing, improver training and junior evening are gathering steam and are well attended by our youngsters. Friday is open to all sailors, all abilities, no racing, just come along and have a potter around Babbacombe Bay and follow it with a Fish and chip suppers at the top clubhouse available at £4. Just place your order and pay at registration before sailing.

However as ever we need a steady stream of help to keep it all rolling. Please volunteer when you can.

REGEN

The latest sketch plans from the Architects have been reviewed by members of the Regen Sub Committee and then discussed at GC. Whilst these plans may not be the exact design we eventually agree on they are sufficient to allow us to ask the Architects to arrange for the draft design to be costed. Once we have their reply and the figures we will be able to present the options to the Committees and yourselves for your views on the preferred way forward.
