Notes and Conditions

1. Junior participants and attendant parents/guardians are requested not to attend sessions, if they have symptoms of Covid, flu or other transmissible respiratory illness
2. BCSC reserves the right, at all times, to cancel sessions due to weather or any other reason at our discretion. Cancelled sessions are not normally substituted with extra dates. Some cancellations should always be expected during a season, and have been allowed for in the number of sessions originally programmed.
3. Junior participants must be confident in the water and wear buoyancy aids and helmets whenever going afloat. Buoyancy aids and helmets will be provided.
4. All juniors must be accompanied by a parent or guardian at the beginning and end of the session. Parents or guardians are encouraged to remain for the session, but if absent for any time must be contactable (for example by mobile phone) for the duration of the session.
5. Junior must report to the session leader or beachmaster on arrival who will record attendance. On finishing the session and after a short debrief juniors must check out with the session leader or beachmaster, before leaving the site.
6. Participants are to wear suitable clothing (such as a wetsuit; it should be noted that children and young people can rapidly get cold, when in a dinghy. Wearing suitable clothing can make a considerable difference to the comfort and enjoyment level of the experience) and suitable footwear when going on a boat. Some kit may be borrowed from the club. Suitable footwear means flat soft soled shoes, trainers or sailing boots. Sailing in bare feet is discouraged, due to risk of injury from sharp objects on beach, weever fish or jelly fish. A towel and a dry change of clothing, at the end of the session, is recommended.
7. BCSC reserves the right to refuse any booking on medical grounds.
8. All bookings are accepted on the understanding that all instructions or directions given by any instructor or session leader are to be observed. Such directions are very often safety-related. Please note that places on the BCSC junior training program are often oversubscribed and participants are, therefore, requested to engage totally with the course activities. Non-compliance, or inappropriate behaviour, may result in exclusion from sessions.
9. Participants are asked to respect the club equipment provided, and participate in wash-down, de-rigging and stowage, at the end of the session.
10. BCSC reserves the right at all times to refuse or restrict the use of facilities.
11. BCSC shall not be liable in any way in respect of loss or damage to property.
12. If any injuries are sustained or damage to equipment occurs, participants must notify the session leader, immediately.
